**PTV SCIENCES ANNOUNCES NEW VENTURE PARTNER  
WOODROW A. MYERS, JR. M.D.**

Austin and Houston, TX – August 22, 2008 – PTV Sciences (“PTV” or “the Fund”), a healthcare venture capital and growth equity firm, announced today that national managed care expert Woodrow A. Myers, Jr., M.D. has joined the Fund as a Venture Partner. Dr. Myers is a Harvard trained physician, and holds a Master of Business Administration (MBA) from Stanford University.

Dr. Myers has served in various management roles throughout the healthcare industry. Dr. Myers was recently the Executive Vice President and Chief Medical Officer of WellPoint, Inc. (NYSE: WLP), a \$27 billion market capitalization managed care company. Prior to his position at WellPoint, Dr. Myers spent five years as the director of healthcare management at Ford Motor Company (NYSE: F), one of the largest corporate providers of healthcare in the U.S. Dr. Myers also serves as a member of the Board of Directors of Stanford University Hospitals and Clinics, Genomic Health, Inc. (NASDAQ: GHDX), ThermoGenesis, Inc. (NASDAQ: KOOL), Express Scripts, Inc. (NASDAQ: ESRX), and CardioNet, Inc. (NASDAQ: BEAT).

According to Evan Melrose, M.D., Managing Director of PTV Sciences, “Dr. Myers’ operating experience and in-depth knowledge of the complex healthcare environment is a real asset to the PTV Sciences team. We look forward to working with Dr. Myers and believe that his experience and unique perspective will be value creating for our portfolio companies as they navigate the challenging reimbursement and managed care system.”
